

\$275/month per student

Attending one practice a week

\$350/month per student

Attending two practices a week

Requires 3-month minimum commitment

\$299/month per student

Attending one practice a week

\$399/month per student

Attending two practices a week

Month-to-month commitment

- You can join for \$275/month (attend once/week) or \$350/month (attend twice/week) with a 3 month commitment to the program. This is autobilled each month from date of first attendance. Once the 3 months are completed, you will be automatically renewed for the next 3 months, until you notify us of cancellation or hold.
- If you choose to go month-to-month, you can join for \$299/month (attend once/week), or \$399/month (attend twice/week).
- The **Birdie Program** is for juniors that have progressed past the beginner phase of learning the game, and want an introduction into learning how to score on the golf course.
- The **Eagle Program** is for juniors that are thinking of becoming more serious, and even competitive, junior golfers.
- There are no make ups for missed sessions. This is similar to a gym membership. There will be several sessions offered each week. If your child misses a practice, they can attend another during the SAME week only. Under such circumstances, please let James know in advance.
- If, for some reason, you are unable to attend for an extended period of time, you can place your membership on hold for the month, at a fee of \$20/month, for up to 3 months. If your membership is on hold for the month and you attend a practice, the hold is immediately cancelled and your membership is reactivated towards the original autobilling date.
- Once the initial 3-month commitment is fulfilled, you can cancel your membership up to 15 days prior to the next month's billing date. If you cancel past the 15 day window, a month's fee will be charged to your credit card.
- Rules and regulations may be amended at any time.
