Dear Darren,

We wanted to say Thank you so much for helping us make our daughter's special day so amazing. From the moment we met Jeanine, we knew she will be an amazing person to work with & she was. We felt the same working with Dominic, from the first time I met him we know we are in good hands. He made the process for our special event so easy & fun. We felt both of them went that extra mile to help us to make sure our party will be a success, it was sure a great one. All our guests have only nice things to say about the place, the food & the atmosphere that was at the event. We hope to work with them both & use your place again in the future. So, a big thank you from all of us, Marshall, Danielle, Liane & me.

All the best,
Iris Bluth

Hi Darran,

My name is Janet Keane and I had my wedding at your club this past Saturday and I just wanted to let you know how great it was. For starters, we met with Jeanine Phelan about 6 months ago. She was hands down the best salesperson we met with (out of the 10 places we looked at) she was smart, kind, informative and overall after looking at your beautiful grounds we felt most comfortable booking at your place because we knew Jeanine would be fantastic to work with for the following months. She most certainly was.

A few weeks ago, my mom and I were going to have lunch in the grill room and by happenstance we met Dominic who explained who he was and how he would be working our wedding. He couldn't have been nicer and spent a decent amount of time with my mom and me and we didn't even have an appointment with him that day. Two weeks later we met with him for our pre-wedding meeting and he was great. He couldn't have been more informative and any questions or concerns we had, he addressed. He really knew it all.

On Saturday May 12th, when we arrived Domonick was working so hard to make sure everything went smoothly, which it appeared to have gone perfectly. He was fun and friendly to deal with and he really helped throw a great party. He also was very attentive to my parents, all of my guests, and guests with allergies.

Jio was also fantastic. He was extremely attentive to my bridal party and me. He made sure we all had plenty to eat and drinks in hand at all times - which we loved! He even managed to construct a new boutonniere for my husband (with a kit he had) so he looked fresh for the reception.

I couldn't have been happier with Jeanine, Domonick, and Jio and all the people we met on your staff that day. I would highly recommend your club to anyone who is getting married.

I am from RVC and my husband is from GC so people know of your place for the nice golf course, but a lot of people didn't realize you could have weddings there and none of our friends have gotten married there, so I imagine its going to

become very popular with more people from our areas. In fact, I know of two people getting married there in August and September.

Thank you again for everything and many thanks to your great staff! We were so happy with everything.

All my best,

Janet Keane and John Fitzgerald

We have already

Dear Mr. Stanek,

I would be remiss if I did not write to complement Harbor Links and its many fine employees on a fabulous party celebrating my daughter's wedding on Saturday, May 12th. In particular, Jeannine Phelan, our first contact, was enthusiastic and confident that Harbor Links would be the perfect setting for our party and she didn't disappoint us. She followed through on every issue, answered our questions thoughtfully, and responded to us on a timely basis always. She was organized and efficient.

Dominick was a delight to work with. In the most stressful days before a wedding, he reassured us that he was up to the task of pulling our affair together and helped us imagine what we could expect on the big day. He went above and beyond to tend to each item that was presented him and he did it with a smile. Nothing was too much for Dominick. He is a real professional, obviously bringing much experience to his work. The people that worked for him that evening were courteous to my family and guests which is a credit to Dominick's leadership ability.

In short, I cannot thank Harbor Links enough for delivering on all of their promises. I have recommended this facility to several people already and would be happy to speak to any potential clients as a reference.

Thank you all for a wonderful memory.

Sincerely,
Sharon Keane

Dear Jeanine,

WOW! What an amazing party we had for Matthew's first birthday and we owe so much of the party's success to you. You delivered as promised...and more! You truly exceeded our expectations in every way: the food was delicious and abundant, the room set-up was elegant and tasteful, the environment warm and welcoming, the staff at the event numerous and hospitable.

Our only regret is that you were not at the party to enjoy that which you helped us create. All of our guests commented on the beauty of the venue but, even more so, on how well planned out the event was. We owe a tremendous debt of gratitude to your for that as it was your patience and good nature that guided us through this process. Planning for such events can often be complicated, arduous and stressful; you made it enjoyable and fun.

We are fully aware of how easy it for a salesperson to do the minimum necessary to "get the job done". We are also aware of how rare it is that a salesperson gives the extra effort to make the sales experience a pleasurable one. Well, Jeanine, we would (and already have!) enthusiastically recommend you and Harbor Links to anyone and everyone we know looking to have a function or celebration. Certainly, we look forward to our next celebration with you!

Please note that we have also sent a copy of this letter to Jon Kaiman with our sincerest thanks and commendation. Harbor Links is privileged to have someone of Jeanine Phelan's calibre managing the Catering and Event department.

Yours Truly,

Jen and Gabe Gould
